NOTICE OF INTENT TO ADOPT **NEGATIVE DECLARATION**

This form is provided as a notification of an intent to adopt a Negative Declaration which has been prepared in compliance with the provisions of the California Environmental Quality Act of 1970, as amended, and Resolution #118-04.

PROJECT TITLE:

Application for a Rezone, Special Development Permit, & Parcel Map by The Ridgecrest Group

PROJECT DESCRIPTION AND LOCATION (APN):

Application for related proposals on a 29,250 square-foot site located at 574 Bobolink Circle in a R-0/S (Low-Density Residential/Single Story) Zoning District. (APN: 309-02-034)

- Rezone from R-0/S (Low-Density Residential/Single Story) to R-0/PD/S (Low-Density Residential/Planned Development/Single Story)
- Special Development Permit to construct 4 single-family homes, and
- Parcel Map to subdivide one lot into four lots.

WHERE TO VIEW THIS DOCUMENT:

The **Negative Declaration**, its supporting documentation and details relating to the project are on file and available for review and comment in the Office of the Secretary of the Planning Commission, City Hall, 456 West Olive Avenue, Sunnyvale.

This **Negative Declaration** may be protested in writing by any person prior to 5:00 p.m. on **Tuesday**. July 5, 2005. Protest shall be filed in the Department of Community Development, 456 W. Olive Avenue, Sunnyvale and shall include a written statement specifying anticipated environmental effects which may be significant. A protest of a Negative Declaration will be considered by the adopting authority, whose action on the protest may be appealed.

HEARING INFORMATION:

A public hearing on the project is scheduled for:

Monday, July 11, 2005 at 8:00 p.m. & Tuesday, August 9, 2005 at 7:00pm in the Council Chambers, City Hall, 456 West Olive Avenue, Sunnyvale.

TOXIC SITE INFORMATION:

(No) listed toxic sites are present at the project location.

Circulated On June 15, 2005

NEGATIVE DECLARATION

This Negative Declaration has been prepared in compliance with the provisions of the California Environmental Quality Act of 1970, as amended, and Resolution #118-04.

PROJECT TITLE:

Application for a Rezone, Special Development Permit, & Parcel Map by The Ridgecrest Group

PROJECT DESCRIPTION AND LOCATION (APN):

Application for related proposals on a 29,250 square-foot site located at 574 Bobolink Circle in a R-0/S (Low-Density Residential/Single Story) Zoning District, (APN: 309-02-034)

- Rezone from R-0/S (Low-Density Residential/Single Story) R-0/PD/S (Low-Density Residential/Planned Development/Single Story)
- Special Development Permit to construct 4 single-family homes, and
- Parcel Map to subdivide one lot into four lots.

FINDINGS:

The Director of Community Development of the City of Sunnyvale, California, hereby determines that an environmental impact report is not required. There are sufficient environmental controls incorporated into the zoning regulations to ensure no significant detrimental effect.

The above determination is based upon the initial study conducted in this matter, information provided by the applicant in an "Application for Environmental Finding" and an "Application for Environmental Clearence".

This Negative Declaration may be protested in writing by any person prior to 5:00 p.m. on Tuesday, July 5, 2005. Such protest shall be filed in the Department of Community Development, 456 W. Olive Avenue, Sunnyvale and shall include a written statement specifying anticipated environmental effects which may be significant. A protest of a Negative Declaration will be considered by the adopting authority, whose action on the protest may be appealed.

California Department of Fish and Game CERTIFICATE OF FEE EXEMPTION

De Minimis Impact Finding

PROJECT TITLE/LOCATION (INCLUDE COUNTY):

The Rezone, Parcel Map, & Special Development Permit is located on 574 Bobolink Circle, City of Sunnyvale, County of Santa Clara-in a R-0/s (Low-Density Residential / Single Story Zoning District. APN: 309-02-034

PROJECT DESCRIPTION:

Application for related proposals on a 29,250 square-foot site located at **574 Bobolink Circle** in a R-0/S (Low-Density Residential/Single Story) Zoning District. (APN: 309-02-034)

- **Rezone** from R-0/S (Low-Density Residential/Single Story) to R-0/PD/S (Low-Density Residential/Planned Development/Single Story)
- Special Development Permit to construct 4 single-family homes, and
- Parcel Map to subdivide one lot into four lots.

FINDINGS OF EXEMPTION:

- 1. This project is in an urban setting.
- 2. There is no alteration of land or effect on fish or wildlife.

CERTIFICATION:

I hereby certify that the public agency has made the above finding and that the project will not individually or cumulatively have an adverse effect on wildlife resources, as defined in Section 711.2 of the Fish and Game Code.

| Project Sponsor's Name | Omid Shakeri, The Ridgecrest Group |
| Address | 3131 S. Bascom Ave., Suite 110 |
| | San Jose, CA 95008 |
| Zoning | R-0 (S) |
| General Plan | Residential Low Density |
| Other Public Agencies whose approval is required | None |

Description of the Project: The 29,336 square foot site currently has one single family home with access to Bobwhite Avenue. The applicant proposes a rezone to a Planned Development Combining District, a Special Development Permit and Parcel Map for the demolition of the existing home and construction of 4 new homes for a net gain of 3 units. The homes will gain access from Bobolink Circle; two homes will have driveways directly on Bobolink Circle and two will share a common driveway onto Bobolink. No additional density is being requested.

Surrounding Uses and Setting: The property is in an existing neighborhood consisting of single-family homes. The homes to the south and west of the subject property along Bobolink Circle are in a single story combining district, which limits homes to one story and was requested by residents of the neighborhood.

EVALUATION OF ENVIRONMENTAL IMPACTS

- 1. A brief explanation is required for all answers except "No Impact" answers that are adequately supported by the information sources a lead agency cites in the parentheses following each question. A "No Impact" answer is adequately supported if the referenced information sources show that the impact simply does not apply to projects like the one involved (e.g. the project falls outside a fault rupture zone). A "No Impact" answer should be explained where it is based on project-specific factors as well as general standards (e.g. the project will not expose sensitive receptors to pollutants, based on a project-specific screening analysis).
- 2. A brief explanation is required for all answers except "No Impact" answers that are adequately supported by the information sources a lead agency cites in the parentheses following each question. A "No Impact" answer is adequately supported if the referenced information sources show that the impact simply does not apply to projects like the one involved (e.g. the project falls outside a fault rupture zone). A "No Impact" answer should be explained where it is based on project-specific factors as well as general standards (e.g. the project will not expose sensitive receptors to pollutants, based on a project-specific screening analysis).
- 3. All answers must take account of the whole action involved, including off-site as well as onsite, cumulative as well as project-level, indirect as well as direct, and construction as well as operational impacts.
- 4. Once the lead agency has determined that a particular physical impact may occur, then the checklist answers must indicate whether the impact is potentially significant, less than significant with mitigation, or less than significant. "Potentially Significant Impact" is appropriate if there is substantial evidence that an effect may be significant. If there are one or more "Potentially Significant Impact" entries when the determination is made, an EIR is required.
- 5. "Negative Declaration: Potentially Significant Unless Mitigation Incorporated" applies where the incorporation of mitigation measures has reduced an effect from "Potentially Significant Impact" to a "Less Significant Impact." The lead agency must describe the mitigation measures, and briefly explain how they reduce the effect to a less than significant level (mitigation measures from Section 17, "Earlier Analysis," may be cross-referenced).
- 6. Earlier analysis may be used where, pursuant to the tiering, program EIR, or other CEQA process, an effect has been adequately analyzed in an earlier EIR or negative declaration. Section 15063 (c) (3) (d). In this case, a brief discussion should identify the following:
- 7. Earlier Analysis Used. Identify and state where they are available for review.
- 8. Impacts Adequately Addressed. Identify which effects from the above checklist were within the scope of and adequately analyzed in an earlier document pursuant to applicable legal standards, and state whether such effects were addressed by mitigation measures based on the earlier analysis.
- 9. Mitigation Measures. For effects that are "Less than Significant with Mitigation Measures Incorporated," describe the mitigation measures which were incorporated or refined from the earlier document and the extent to which they address site-specific conditions for the project
- 10. Lead agencies are encouraged to incorporate into the checklist references to information sources for potential impacts (e.g. general plans, zoning ordinances). Reference to a previously prepared or outside document should, where appropriate, include a reference to the page or pages where the statement is substantiated.

| | | Potentially Significant Impact | Less than Sig. With Mitigation | Less Than Significant | No Impact | Source |
| a. | Convert Prime Farmland, Unique Farmland or Farmland of Statewide Importance (Farmland), as shown on the maps prepared pursuant to the Farmland Mapping and Monitoring Program of the California Resources Agency to nonagricultural use? | | | | | 94 |
| b. | Conflict with existing zoning for agricultural use, or a Williamson Act contract? | | | | | 94 |
| C. | Involve other changes in the existing environment which, due to their location or nature, could result in conversion of Farmland, to non-agricultural use | | | | \boxtimes | 94 |
| | DROLOGY AND WATER QUALITY. Would project: | | | | | |
| a. | Violate any water quality standards or waste discharge requirements? | | | | | 2, 24, 25, 111, 112 |
| b. | Substantially degrade groundwater supplies or interfere substantially with groundwater recharge such that there would be a net deficit in aquifer volume or a lowering of the local groundwater table level (e.g., the production rate of preexisting nearby wells would drop to a level which would not support existing land uses or planned uses for which permits have been granted)? | | | | | 2, 24, 25, 111, 112 |
| C. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, in a manner which would result in substantial erosion or siltation onor off-site? | | | | | 2, 24, 25, 111, 112 |
| d. | Substantially alter the existing drainage pattern of the site or area, including through the alteration of the course of a stream or river, or substantially increase the rate or surface runoff in a manner which would result in flooding on- or off site? | | | | | 2, 24, 25, 111, 112 |
| e. | Create or contribute runoff which would exceed the capacity of existing or planned stormwater drainage systems or provide substantial additional sources of polluted runoff? | | | | | 2, 24, 25, 111, 112 |

City of Sunnyvale General Plan:

- 3. Air Quality Sub-Element
- 4. Community Design Sub-Element
- 5. Community Participation Sub-Element
- 6. Cultural Arts Sub-Element
- **Executive Summary** 7.
- 8. Fire Services Sub-Element
- 9. Fiscal Sub-Element
- 10. Heritage Preservation Sub-Element
- Housing & Community Revitalization Sub-11. Element
- 12. Land Use & Transportation Sub-Element
- 13. Law Enforcement Sub-Element
- 14. Legislative Management Sub-Element
- 15. Library Sub-Element
- 16. Noise Sub-Element
- 17. Open Space Sub-Element.
- 18. Recreation Sub-Element
- 19. Safety & Seismic Safety Sub-Element
- 20. Sanitary Sewer System Sub-Element
- 21. Socio-Economic Sub-Element
- 22. Solid Waste Management Sub-Element
- 23. Support Services Sub-Element
- 24. Surface Run-off Sub-Element
- 25. Water Resources Sub-Element

26. City of Sunnyvale Municipal Code:

- 27. Chapter 10
- 28. Zoning Map
- 29. Chapter 19.42. Operating Standards
- 30. Chapter 19.28. Downtown Specific Plan District
- 31. Chapter 19.18. Residential Zoning Districts
- 32. Chapter 19.20. Commercial Zoning Districts
- 33. Chapter 19.22. Industrial Zoning Districts
- 34. Chapter 19.24. Office Zoning Districts
- 35. Chapter 19.26. Combining Zoning Districts
- 36. Chapter 19.28. Downtown Specific Plan
- 37. Chapter 19.46. Off-Street Parking & Loading
- 38. Chapter 19.56. Solar Access
- 39. Chapter 19.66. Affordable Housing
- Chapter 19.72. Conversion of Mobile Home 40. Parks to Other Uses
- 41. Chapter 19.94. Tree Preservation
- 42. Chapter 19.96. Heritage Preservation

Specific Plans

- 43. El Camino Real Precise Plan
- Lockheed Site Master Use Permit 44.
- 45. Moffett Field Comprehensive Use Plan
- 46. 101 & Lawrence Site Specific Plan
- 47. Southern Pacific Corridor Plan

Environmental Impact Reports

- Futures Study Environmental Impact Report 48.
- 49. Lockheed Site Master Use Permit Environmental Impact Report
- Tasman Corridor LRT Environmental Impact 50. Study (supplemental)
- 51. Kaiser Permanente Medical Center Replacement

- Center Environmental Impact Report (City of Santa Clara)
- Downtown Development Program Environmental Impact Report
- RI255 53. Caribbean-Moffett Park Environmental Impact
 - 54. Southern Pacific Corridor Plan Environmental Impact Report

Maps

- 55. City of Sunnyvale Aerial Maps
- Flood Insurance Rate Maps (FEMA) 56.
- Santa Clara County Assessors Parcel 57.
- 58. Utility Maps (50 scale)

Lists/Inventories

- 59. Sunnyvale Cultural Resources Inventory List
- Heritage Landmark Designation List 60.
- Santa Clara County Heritage Resource Inventory 61.
- 62. Hazardous Waste & Substances Sites List (State of California)
- List of Known Contaminants in Sunnyvale 63.

Legislation/Acts/Bills/Codes

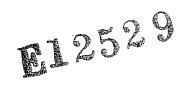

- Subdivision Map Act
- Uniform Fire Code, including amendments per 65. SMC adoption
- 66. National Fire Code (National Fire Protection Association)
- 67. Title 19 California Administrative Code
- 68. California Assembly Bill 2185/2187 (Waters Bill)
- 69. California Assembly Bill 3777 (La Follette Bill)
- 70. Superfund Amendments & Reauthorization Act (SARA) Title III

Transportation

- 71. California Department of Transportation Highway Design Manual
- 72. California Department of Transportation Traffic Manual
- 73. California Department of Transportation Standard
- 74. California Department of Transportation Standard Specification
- Institute of Transportation Engineers Trip 75. Generation
- 76. Institute of Transportation Engineers Transportation and Traffic Engineering Handbook
- 77. U.S. Dept. of Transportation Federal Highway Admin. Manual on Uniform Traffic Control Devices for Street and Highways
- 78. California Vehicle Code
- 79. Traffic Engineering Theory & Practice by L. J.
- 80. Santa Clara County Congestion Management Program and Technical Guidelines
- Santa Clara County Transportation Agency Short 81. Range Transit Plan

Environmental Checklist Form

Project Number: 2005-0106
Project Address:574 Bobolink Circle
Applicant: The Ridgecrest Group

- 82. Santa Clara County Transportation Plan
- 83. Traffic Volume Studies, City of Sunnyvale Public works Department of Traffic Engineering Division
- 84. Santa Clara County Sub-Regional Deficiency Plan
- 85. Bicycle Plan

Public Works

- 86. Standard Specifications and Details of the Department of Public Works
- 87. Storm Drain Master Plan
- 88. Sanitary Sewer Master Plan
- 89. Water Master Plan
- 90. Solid Waste Management Plan of Santa Clara County
- 91. Geotechnical Investigation Reports
- 92. Engineering Division Project Files
- 93. Subdivision and Parcel Map Files

Miscellaneous

- 94. Field Inspection
- 95. Environmental Information Form
- 96. Annual Summary of Containment Excesses (BAAQMD)
- 97. Current Air Quality Data
- 98. Chemical Emergency Preparedness Program (EPA) Interim Document in 1985?)

- 99. Association of Bay Area Governments (ABAG) Population Projections
- 100. Bay Area Clean Air Plan
- 101. City-wide Design Guidelines
- 102. Industrial Design Guidelines

Building Safety

- Uniform Building Code, Volume 1, (Including the California Building Code, Volume 1)
- 104. Uniform Building Code, Volume 2, (Including the California Building Code, Volume 2)
- Uniform Plumbing Code, (Including the California Plumbing Code)
- Uniform Mechanical Code, (Including the California Mechanical Code)
- National Electrical Code (Including California Electrical Code)
- 108. Title 16 of the Sunnyvale Municipal Code
